# ABOUT US

The Forum for Volunteer Administrators (FVA) is dedicated to the continuous professional development and support of Volunteer Administrators throughout Northeast Ohio. Professional development opportunities in our line of work are hard to find. FVA works with our members and peers to keep building our collective knowledge.

Connect | Collaborate | Grow

As always 2022 was a busy year filled with wonderful opportunities for FVA and its members. We welcomed a new Board Member at Large, created a scholarship program, conducted 12 workshops ranging in topics from volunteer recognition to the importance of self-care, hosted the summer networking event at the beautiful Emerald Necklace Marina, and welcomed Faiza Venzant and Rob Toonkel to our annual conference. FVA exists to give us the tools and networking opportunities to help each of us to move our volunteer programs towards our goals. Please join me in celebrating the accomplishments of FVA during 2022, the year of rebuilding.

*-Shelley Orloski CVA, FVA President*
